**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am an individual consumer and small business owner. I believe in competition. I intentionally chose small, independent & affordable phone and broadband companies Credo and Sonic.

I choose competitive providers because I get quality customer service and little bureaucracy.

Broadband is critical to my personal and business lives which intersect 24/7. As a small business I need to be extremely fast and responsive to compete in the marketplace.

I also need affordability being a small business owner in the most expensive city in the US. No rate hikes, please!!

Thank you.
